I was not aware that there was an faq. Do you want me to ask in advance or at the meeting? I have a small preference for at the meeting since i don't want any build up to her 5 minutes of time. It is just a short public comment.

Subject: Hot topics for CAG meeting

Just thought I would do a quick overview of what we think the hot topics are for this CAG meeting and possible leads for addressing them. The following are only suggestions to start the conversation between you all.

CF&I:

Animas: I don't know whether this will come up, but it certainly is possible. I suggest I jump in and say these aren't the staff and we already have enough to cover.

Thoughts?
